As members of the community staff team, you are required to not commit an <u>Abuse of Power</u>, and to advocate for <u>Community Respect</u>.

Definitions

Abuse of Power: The giving of an advantage over community members that stems from granted staff permissions.
E.g.

- ❖ Spawning items for survival gamemode
- ❖ Disciplining a player over a personal grudge
- ❖ Viewing a player's inventory for strategic advantage
- ❖ God mode outside of staff duties to progress in game
- ❖ Using staff commands for pranks on players

Community Respect: We are here to have fun! Players can determine the health of a community by the staff representing it. Let's be kind and helpful wherever possible.
E.g.

- ❖ Responding to questions by players
- ❖ Conduct self in a light that doesn't lead to altercation
